Kenwood CP706 Bonus

We thank you for your keen interest in our products and for taking up our recent Christmas Promotion on Mixers & Food Processors.

We regret to advise that due to demand for the offer far exceeding our expectations, we are currently experiencing delays in the ongoing supply of the bonus products offered.

Your overwhelming support for this promotion has resulted in our stocks being delayed on the Kenwood Slow Cooker (model number CP706) which was offered to customers who purchased a Patisser Mixer or an FP950 or FP920 Food Processor as part of the promotion.

The Kenwood Slow Cooker will be readily available again in mid-February and will be dispatched as a priority to all customers affected by this delay.

De'Longhi apologise for any inconvenience this may have caused you.

Please be assured that the processing and dispatch of your goods is of the utmost priority to us. We anticipate that you will be enjoying the use of your quality Kenwood products within your home within the next 6 weeks.

If you have any queries or comments in relation to the processing of your bonus offer, please contact our customer service centre on 1800 126 659
