

## CH250 MULTI-BLADE CHOPPER

### POWERFUL 500W MOTOR

Ideal for quick and simple processing of meat, herbs, vegetables, bread, biscuits, cheese, nuts and baby foods.

### MULTI-BLADE SYSTEM

Faster processing compared to two blades. Made of stainless steel for perfect even results.

### 2 SPEED CONTROL

Easy, push down operation with two variable speeds for greater user control.

### 0.5 LITRE BOWL

Generous 0.5L capacity bowl, with interlock system for added safety.

### DIE-CAST METAL BODY

Sturdy die-cast metal body with non-slip rubber feet to keep the product stable on the kitchen bench.

### EASY TO CLEAN

The chopper comes apart for easy cleaning. Parts are dishwasher safe.

### INTEGRAL CORD STORAGE

Cord can be wrapped around the base for tidy storage.

### MINI SPATULA

Custom-designed for ease of use.
