

## HB724 TRIBLADE HAND BLENDER

### UNIQUE TRIBLADE

The Triblade system is fitted with durable stainless steel blades; each is angled to sweep through three different cutting paths giving optimum blending performance and efficient controllable results.

### VARIABLE SPEED + TURBO

The variable speed settings allow you to blend soups, fruits, nuts and more, while the added pulse setting is ideal for coarser foods such as salsa and finely chopped onions.

### 700W MOTOR

The powerful 700W motor delivers outstanding efficiency, perfect for blending chopping or blending any ingredient.

### MINI CHOPPER

0.5L capacity with stainless steel blades and non-slip rubber mat.

### ERGONOMIC DESIGN

Ergonomic, easy one-handed operation provides greater user control.

### BIG FOOT PAN BLENDER

The Big foot super wide pan blender is perfect for blending directly in the pan.

### MASHING & PURÉEING

The Masher is easy to clean and perfect for creating creamy mashed potato.

### CALIBRATED BEAKER AND CHOPPER

0.75L calibrated beaker comes with non-slip base that can be used as a lid.

## HB724 TRIBLADE HAND BLENDER

**KENWOOD**
